**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Nations Ministry Center

***Report on the Financial Statements***

We have audited the accompanying financial statements of Nations Ministry Center (the "Organization"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nations Ministry Center as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**NATIONS MINISTRY CENTER  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2019**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature of Activities

Nations Ministry Center's (the "Organization") purpose is to help refugee families become generationally self-sufficient through job coaching and training, education opportunity including summer reading programs and after-school literacy development, and family social services including immigration assistance.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Restricted Cash

Certain cash accounts are classified as restricted assets on the statements of financial position because their use is limited by donor restrictions.

Pledges Receivable

Pledges receivable are stated at the amount the Organization expects to collect from outstanding balances. The Organization provides for estimated uncollectible receivables through bad debt expense and a credit to an allowance based on its assessment of the current status of individual accounts and historical write-off experience. Balances that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to pledges receivable. No allowance was considered necessary at June 30, 2019.

Property and Equipment

Property and equipment are reported at cost and include improvements that significantly add to utility or extend useful lives and exceed \$1,000. Costs of maintenance and repairs are charged to expense as incurred. Assets are depreciated using a straight-line basis to allocate cost over their estimated useful lives of 5-7 years for vehicles, furniture and equipment and over 15 - 27.5 years for buildings and improvements. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in income for the period. A gain on trade-in is applied to reduce the cost of the new acquisition.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
YEAR ENDED JUNE 30, 2019**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Contributions

All contributions are considered to be without donor restriction unless specifically stated by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, if a restriction is fulfilled in the same time period the contribution is received, the Organization reports the support as net assets without donor restriction.

Contributions Receivable

Contributions receivable, less an allowance for uncollectible amounts, are recognized as revenues in the period promised, and as assets, decreases in liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Amounts expected to be collected within the next fiscal year are classified as current assets at the face value of the receivable. Amounts which are not collectible within the next fiscal year are recorded as non-current contributions receivable, using the estimated present value of the future cash flows. Donor pledges which are expected to be collected over a period greater than one year are discounted at current interest rates, if material.

Donated Materials and Services

Contributions of donated material that are usable for program services, fundraising, and support of management and general functions are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and which would typically need to be purchased if not donated, are recorded at their fair values in the period received.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. As of June 30, 2019, the Organization has no donated property or equipment which is restricted.

The fair value of donated volunteer services is not reflected in the accompanying financial statements since it is not practical to objectively determine the fair value of services received. However, management estimates that a substantial number of volunteers have donated significant amounts of their time.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions affecting the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Tax

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been made in the accompanying financial statements.

The Organization has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2019, the Organization has no material uncertain tax positions to be accounted for in the financial statements under these rules. The Organization has exempt organization tax filings open to Internal Revenue Service audit, generally, for three years after they are filed.

Concentrations of Credit Risk

The Organization maintains bank accounts at one financial institution. Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash equivalents and short-term investments. The Organization utilizes the Insured Cash Sweep ("ICS") product at their financial institution for cash and cash equivalents in excess of their operating funds, which reduces or eliminates the risk related to concentrations of investments above FDIC insurance levels. The Organization has not experienced any losses in the accounts. Management believes the Organization is not exposed to any significant credit risk related to cash.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, payroll taxes, and payroll expense, which are allocated on the basis of estimates of time and effort, as well as facilities and depreciation, which are allocated on an estimate of usage. All other expenses are directly assigned to their related program.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Change of Accounting Principle

In August 2016, the FASB issued Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. The Organization has adopted the guidance and has applied the changes retrospectively to all period presented. The new standard changes the following aspects of the Organization's financial statements:

- The unrestricted net asset class has been renamed net assets without donor restrictions.
- The temporarily and permanently restricted net asset classes have been combined into a single net asset class called net assets with donor restrictions.
- The financial statements include a disclosure about liquidity and availability of resources in Note 7.

A summary of the net asset reclassifications driven by the adoption of ASU 2016-14 as of June 30, 2018 is as follows:

Net Asset Classifications	ASU 2016-14 Classifications		
	Without Donor Restrictions	With Donor Restrictions	Total Net Assets
As previously presented:			
Unrestricted	\$ 684,466	\$ -	\$ 684,466
Temporarily restricted	-	182,363	182,363
Net assets as reported	\$ 684,466	\$ 182,363	\$ 866,829

Events Occurring After Reporting Date

The Organization has evaluated events and transactions that occurred after June 30, 2019, through the date of the issued financial statements. During the period there were no material recognizable subsequent events that required recognition in the disclosures to the June 30, 2019 financial statements.

**NOTE 2 - CONTRIBUTIONS RECEIVABLE**

The current portion represents the face value of contributions collectible within the next fiscal year. The non-current portion represents the present value of amounts due after one year.

Due in less than one year	\$ 5,000
Due in one to five years	15,000
Total	\$ 20,000

**NATIONS MINISTRY CENTER  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
YEAR ENDED JUNE 30, 2019**

**NOTE 3 - PROPERTY AND EQUIPMENT**

Building	\$ 251,628
Land	91,218
Vehicles	76,410
Land improvements	6,690
Furniture and fixtures	<u>3,137</u>
	429,083
Less: accumulated depreciation	<u>(60,259)</u>
	<u><u>\$ 368,824</u></u>

**NOTE 4 - ACCOUNTS PAYABLE**
